### **High season (July 7 to August 24)**

- River-side pitches are bookable starting from 7 nights.
- Non-river-side pitches are bookable starting from 5 nights.
- Camper pitches and small tent pitches (max. 50m<sup>2</sup>) are bookable starting from 3 nights.

Outside of these periods, you can always come spontaneously, we will always have pitches available.

Please reserve rental accommodations in advance.

### **Backpackers:**

Backpackers can book starting from 1 night, but also arrive spontaneously. There is always availability for walkers and cyclists with a small tent.

On the backpackers' field, you may stay for a maximum of 3 nights. This field is only for those who arrive on foot or by bicycle.

### **Preference Number:**

When making a reservation, you have the option to choose a type of pitch (by the river, standard, small tent pitch). We book a pitch in this group, and only at check-in will you be informed about which pitch has been reserved for you.

A preference number costs an additional 25 €.

If we accept your preference, the pitch is confirmed.

Changes only occur in case of emergency, in which case the €25 charge is waived.

A preference number is intended for guests who know the campsite well or if you wish to be next to each other on 2 or 3 pitches.

Preference numbers are not possible on camper pitches or for rental properties.

For reservations of more than 4 pitches, please contact us first.
